Before You Buy Your Refrigerator
Spend 5 Minutes

to learn
 the amazing
 story of
NORGE
 Rollator
 Refrigeration

● Think of a refrigerator that makes ice faster as the weather gets hotter! Think of a refrigerator mechanism that has run the equivalent of 33 years in your home—and is still efficient as ever. Think of a refrigerator that has kept milk sweet for a month or more in midsummer.* That's the kind of refrigerator Norge offers you today

Performance! That's the most important essential of a refrigerator. When you choose Norge you are assured of the kind of de-

pendable, trouble-free performance you have a right to expect. And you don't have to take our word for it. Any Norge dealer is prepared to prove every statement he makes.

Learn the amazing story of Rollator Refrigeration before you shop for a refrigerator. Certainly see the Norge before you buy.

THE ROLLATOR COMPRESSOR...smooth, easy, rolling power instead of hurried back-and-forth action. Result—more cold for the current used. Only Norge has the Rollator.

*Ask the Norge dealer about the "Milk Test" and other spectacular tests. Also get your free copy of "The Story of Norge."
